

**Louisiana Alpha Delta Kappa State Report - Bylaws
2018-2020**

As state immediate past president, I had the privilege to chair the state bylaws committee. Members of this committee included: Bridget Link (LA Beta Eta) and Jennifer Dixon (LA Beta Eta).

LA Alpha Delta Kappa Bylaws were updated in June 2018 according to the changes made at the July 2017 International Convention in New Orleans, Louisiana. These state bylaws were certified according to the International Bylaws in November 2018. As chairman of the LA Bylaws Committee, each chapter was requested to submit their revised chapter bylaws to the chairman by December 2018. 100% of the Louisiana chapters submitted their updated chapter bylaws and received a letter of certification by March 15, 2019 from this chairman.

During the biennium executive board meetings, suggested changes to the state bylaws were discussed and recommendations were voted on for revision. Members of the state bylaws committee assisted the chairman in preparing these changes for delegate voting at the 2020 state convention. In addition, a copy of the 2019 updated International Bylaws was received in November 2019 and the Louisiana Bylaws were updated by January 2020. A copy of these recommended bylaws changes were sent to the LA chapter presidents in January 2020. This committee prepared a presentation for the voting delegates of the 2020 state convention. The final vote will take place at the 2020 state convention in Kenner, LA in March.

Updated chapter bylaw templates from International were sent to the chapters to use to update chapter bylaws due by December 2020. Reminders will be followed by the new Bylaws Chairman for 2020-2022.

It has been a pleasure to serve my sisters as Bylaws Chairman of Louisiana Alpha Delta Kappa for the 2018-2020 biennium.

Respectively submitted,

Barbara M. LeBlanc

LA State Bylaws Chairman (LA Beta Eta)
