

NOVEMBER 2024

LOUISIANA ALPHA DELTA KAPPA

It's Turkey Time!

I am always amazed at how fast time flies. The older we get, it just seems to go faster and faster.

A number of years ago, there was a new trend on social media that prompted everyone to tell one thing they are thankful for and to do it for every day in November leading up to Thanksgiving. This trend helps to focus you on what is most important.

I challenge you to take out a notebook and number it 1-27 for each November day prior to Thanksgiving. Take some time to write down all of the things you are thankful for this year. You may do it all in one sitting or take a few days. Once your list is complete, place it in a spot that you will notice - your refrigerator, bathroom mirror, or your journal. Reflect on the many blessings you have in your life. And - in case you are wondering- my Alpha Delta Kappa sisters will be on my list.

In sisterly love,
Angie McEachern

Louisiana's Altruistic Focus - Fostering Awareness

I know many teachers who have chosen to work with foster children in the CASA program.

- CASA stands for Court Appointed Special Advocate, and is a volunteer program that advocates for children in the foster care system and other children who have experienced abuse or neglect.

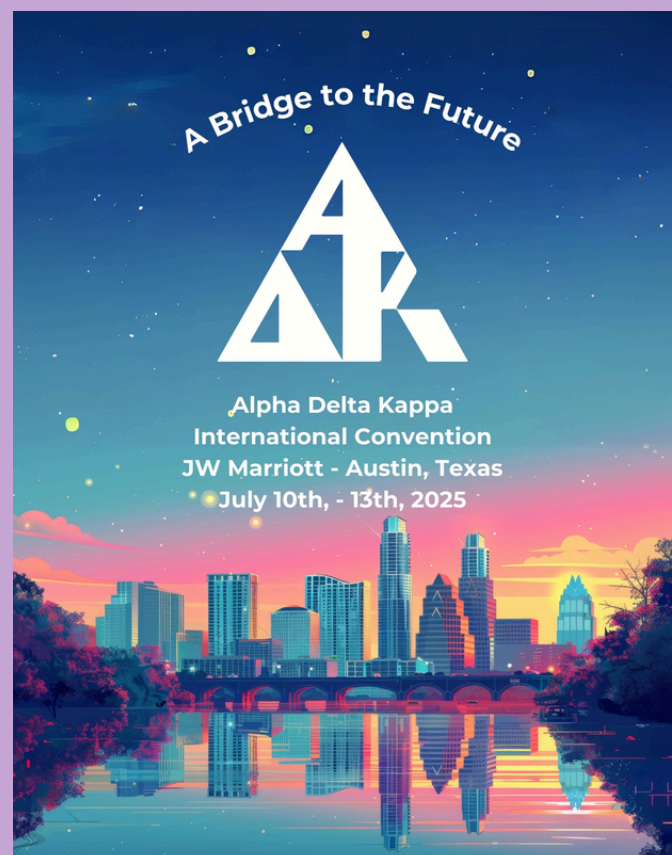

What a CASA does

- A CASA is a trained community member who is appointed by a judge to represent a child's best interests in court. They work with the child, their parents, foster parents, and school personnel to ensure the child is safe, has a permanent home, and can thrive.

Mark your calendars now!

We are going to have a great time in Austin. Make plans now to join in the fun.
