

Louisiana Alpha Delta Kappa

2022-2024 Biennium Report

State Secretary

It has been an honor and my pleasure to serve as the State Secretary on the Louisiana Alpha Delta Kappa State Executive Board for 2022-2024. Serving in this role has given me the opportunity to meet new sisters and renew relationships with other sisters.

I have completed requirements for the position of secretary when I was healthy and able to attend meetings. I attended meetings of the executive board, recorded minutes of the meeting, e-mailed minutes to the state president for corrections and prepared a final copy to be shared at the next meeting. I addressed any and all correspondences as directed by the State President. I reported these at executive board meetings. I kept a binder with information to be forwarded to the next secretary.

I attended the 2022 Gulf Regional Conference in Jacksonville, Florida, and attended sessions pertaining to the office of recording and corresponding secretary. I gained knowledge that prepared me for my office.

District workshops were held in the summer of 2022. I attended and presented the duties and responsibilities of the chapter recording and corresponding secretary in Winnsboro. I was unable to attend the second one because I had COVID.

In October of 2022 and 2023 I attended the Founders' Day Celebration in District VI.

I attended Fun Day in Leesville, Louisiana, in June of 2023.

I attended International Convention in Kansas City in July of 2023.

I attended District VI Initiation Luncheon in February of 2024.

I registered for and plan to attend the State Convention to be held in March 2024 in Lafayette.

It has been my honor to serve at the Louisiana Alpha Delta Kappa Secretary for the 2022-2024 biennium. I appreciate the opportunity to serve Alpha Delta Kappa in this capacity.

Respectfully submitted,

Sharon Glasscock
